

Terms and Conditions

Last updated: September 2026

1. General

These terms apply to use of the Sorellon Limited website. The site provides company information for contracting authorities and commercial organisations. We may update its content and these terms as the business or applicable requirements change.

2. Business Use Only

This website and its contents are intended exclusively for business-to-business use. Nothing on this site constitutes a binding offer. All engagement with Sorellon, including quotations or correspondence, is "subject to contract" unless expressly confirmed in writing and signed by an authorised representative of Sorellon Limited. Consumers are not eligible to rely on these Terms.

3. Supply of Goods & Services

Supply obligations are governed by the written contract agreed for the particular requirement. Specifications, pricing, delivery, acceptance, payment, risk and title are addressed in that agreement. These website terms do not override an agreed supply contract or tender commitment.

4. Pricing, Descriptions & Availability

Product categories on this site are examples of requirements we can assess. They are not a stock catalogue or an offer to supply a particular item. Availability, supporting evidence, lead times and any applicable taxes or delivery charges are confirmed in the contract-specific proposal.

5. Limitation of Liability

We take reasonable care over website information, but it is general information and is not a substitute for the documents agreed for a specific procurement. Liability for supply is addressed in the applicable contract. Nothing in these website terms excludes liability for fraud, death or personal injury caused by negligence, or any liability that cannot lawfully be excluded.

6. Intellectual Property

All content, logos, trade names, and materials displayed on this website are the exclusive property of Sorellon Limited or its licensors. No licence or right to use any material is granted without prior written consent. Unauthorised use may result in legal action.

7. Data & Privacy

Our [Privacy Policy](#) explains how we process personal information and the applicable lawful bases. Contacting us does not constitute consent to unrelated uses of personal data.

8. Third-Party Links & References

External links or references provided on this website are for convenience only. Sorellon has no control over and accepts no responsibility for the content, security, or accuracy of third-party sites. Accessing external links is entirely at your own risk.

9. Website Availability

Website access may occasionally be interrupted by maintenance or technical issues. Contract correspondence can be sent to sales@sorellon.com. Any provisions concerning disruption to supply are governed by the relevant contract.

10. Governing Law & Jurisdiction

These Terms & Conditions, and any dispute or claim arising from them, shall be governed by and construed in accordance with the laws of England and Wales. The courts of England and Wales shall have exclusive jurisdiction.

11. Entire Agreement

These Terms constitute the entire agreement between you and Sorellon regarding website use and supersede all prior representations or understandings. Failure by Sorellon to enforce any right shall not be deemed a waiver.
